

WD&WT NDP RESPONSE to Moles July 2018 Action List
(Created by SG 7 August 2018)

Moles COMMENT/ACTION	SG response	Lead Responder(s)/Action
Name of NDP	<p>This has been resolved but Moles evidence update heading is still calling</p> 	Action complete
Record of comments at the two village Fetes	Sanitized record of comments from Fetes in 2017 has already been passed to DM. Also on Dropbox.	Sanitized record of comments from 2018 Fetes has been produced and will be sent to Donna Moles Action complete
<p>Affordability and Social housing evidence</p> <p>The Plan is not allocating sites so there is a limit on the policy but there is not sufficient evidence at the moment to have a policy which says more than the local plan or national policy. In terms of identifying projects, it may be that we include this in the aspirations section perhaps the PC may later want to look at community land trust as an avenue to provide affordable housing for local people.</p>	<p>Albeit no sites are allocated this remains a key foundation of our plan but with insufficient evidence? We do have policy PD 5.</p> <p>AB believes we can, even on the thin evidence available, provide something tangible to address this. Consideration will be given for inclusion in the aspirations section and community land trust will be explored. We can then try our aspirations at future public meetings.</p>	<p>AB to discuss with Donna.</p> <p>AB/SG to agree the format and content of the Aspirations section. [Placeholder]</p>
Medical Facilities are non-existent in both villages	Both villages are covered within the nearby Whiteparish Surgery (2.5 m to West Dean and 5m to West Tytherley) and Salisbury (9 miles), Romsey and Stockbridge have surgeries to which some residents are attached. Salisbury/Southampton NHS hospital trust covers area and there is a prescription delivery service to WT shop.	Action already complete.
Virgin Media and BT fast broadband	Full consultation with BT, Virgin and the local councils. Virgin plans are well advanced for West Tytherley while	SG to provide more comprehensive

	Open Reach has brought Optic fibre to the West Dean cabinet and are about to extend that to individual homes.	B/B updates covering the entire NDP area in the autumn [Placeholder]
Norman Court school facility and Nursery (recreation facilities including 43 acres)	Norman Court is a 'Community Interest Company' (CIC). This is a relatively new kind of company structure and in essence means that the business can run as an enterprise that benefits the community. It includes the Montessori Day Nursery and outdoor club facilities. It is a major provider for the National Citizen Service	Stakeholder letter sent and responded to. AB/SG are in full consultation with the management and owners. [Placeholder]
Volunteer River Group	There is data on the species and there are plans for protecting the biodiversity of the area. It is somewhat contentious.	JG has sent Five Rivers report to DM. [Placeholder]
Recreation Grounds	West Dean and West Tytherley have recreation grounds named for the village. Their history and status, including a map can be produced. Playground areas are established in both villages and a third is being considered for Hillside Close.	Map to be provided [Placeholder]
Local Green spaces Document to be produced. The document needs to do the following: 1.identify the existing green spaces and assess the local need for additional green space 2.outline any existing designations 3.Propose designations and apply the NPPF para 99-100 criteria	Designation and protection has been considered. JG has produced a list of green spaces but it is not yet agreed within the SG. Landowners have not been consulted.	AB to discuss with DM. [Placeholder]
Railway network connection	Year 1847 already identified	Action complete.
Undesignated heritage sites	Need to check whether any exist along with the designated heritage sites identified by the E&L WG.	AB will action [Placeholder]
Thin evidence on robust policy to protect and conserve the rural and distinctive landscape. Collate a list of key natural	A comprehensive table will be produced alongside the existing maps and new ones if necessary.	AB and MD to action [Placeholder]

features.		
Agricultural Land	There are maps but they are not comprehensive or do not define fully existing conditions. Equestrian usage needs to be covered as well	AB and LF to consider how to address this issue sensitive to the land owners plans. [Placeholder]
Documents to be produced		
Green Space Study	(Under consideration see above)	AB to action
Trees and Hedgerow Study		AB/MD to action
Local Listing Study	Done but need to clarify with DM	
Maps of views to protect	Underway	AB to action
